"A Genuine Work of Art for the iPhone"
<http://www.theiphoneappreview.com/>

Great Artists and their masterpieces.
Pocket Art Gallery. Slideshow and Quiz.

Best selling ART app on the store. Top 100 paid in 12 countries. Staff favorite app (August-Sep '09)

NEW in 4.4:

- ✓ Additional 35 artists, including many modern: Picasso, Dali, Warhol, Matisse, Magritte, Rothko, Klee, Rivera, O'Keefe, Kahlo, Pollock and others.
- ✓ Open external web sites to learn more about artists (wikipedia, abcgallery and others),
- ✓ Save images from web sites to your gallery
- ✓ Fixed crash on start bug
- ✓ integration with OPENFEINT for quiz - see how other people play, challenge and post your results on facebook and twitter.

From US customers reviews:

"Fabulous

High quality images of famous works of art. Biographies of artists. Perfect for improving one's knowledge of art history while standing in line. Thanks!"
by TracyDower

"Great art at your fingertips!

Faulous!"
by OrganonLL7

Features:

- ✓ 204 ARTISTS and constantly adding new. Add/Remove artists - create your own list of artists.
- ✓ Full BIOGRAPHIES of artist from Wikipedia. Offline no connection needed to read them.
- ✓ Open external WEB sites to learn more about artists
- ✓ 6000+ pictures to view in portrait and landscape modes.
- ✓ SAVE images from web sites to your gallery. Extending your gallery is an infinite fun.
- ✓ OFFLINE browsing with bulk download feature. Full database of images is about 400MB in size. You can download all images and browse them offline or you can load only when you open a particular picture.
- ✓ PARENTAL CONTROL setting allows you to hide all nude and horror pictures. Or you can turn on adult pictures only mode...
- ✓ Animated SLIDESHOW for random pictures and for pictures in My Gallery (selected by you)
- ✓ QUIZ game - who is the artist?
- ✓ SAVE TO PHOTOS. You can save painting to your iPhone photos library and set it as a wallpaper
- ✓ EMAIL IMAGE - create a nice looking html email with a link to the artist's page on wikipedia.
- ✓ SEARCH by artists name or work title
- ✓ MY GALLERY section with your favorite pictures. Turn iPhone/iPod into landscape mode to see your favorite pictures enlarged and framed
- ✓ MOST EXPENSIVE ART section.
- ✓ integration with OPENFEINT for quiz - see how other people play, challenge and post your results on facebook and twitter.

Note: Using pictures of modern artists works requires expensive licensing. That's why their galleries initially have no images. But when you are online you can open web galleries and save pictures for you own collection to browse them anytime.

Note: Some masterpieces depict NUDE people - both women and men.
